EMV Personalization System

NYRA
Your Partner in Solution

Bank Buana (now UOB Buana) is the first bank in Indonesia to have complied with the EMV requirement set forth by the EMVco (Europay, Mastercard and Visa) and the Indonesian Central Bank. NYRA have been awarded the contract for a complete EMV Card Personalization System, Card Management System and Consultation. Prior to Bank Buana, we have achieved similar system implementation for Union Cambodia Bank (UCB) and also for Bangladesh Electronic Purse System (BEPS).

Following UOB Buana, Bank NISP (now OCBC NISP), have also utilized and implemented our EMV Card Personalization System.

Presently, we are working with banks in Indonesia to help with their debit card migration to comply with Central Bank's NSICCS before 2020.

NYRA is the exclusive distributor of CIM personalization machine from Italy and Gemalto's smartcards in Indonesia.
